### PC342 Firth Reports

**On 26/08/23 between 3.30pm and 5pm** (extra 30 mins free ha)

I initially parked on BRETTON LANE, however, due to the lack of vehicles passing, I changed my position to outside the school, capturing vehicles entering the village from DENBY DALE ROAD. The following results were captured:

Total vehicles - 171

30mph or Less - 156

31-35mph - 14

36mph and above - 1

The one vehicle over 36mph was captured at 45mph! The vehicle was made to stop and a ticket was issued for the speed.

### PC342 Firth Reports

**On 07/08/23 between 5pm and 6pm** I attended to BRAMLEY LANE to complete speed checks of vehicles leaving the village towards to services. During my attendance the following vehicles were checked:

Total - 127 vehicles

30 and under – 113

31 to 35 – 12

Above 40 – 1 (Fail to stop/no insurance)

West Bretton Parish Council

Working in partnership to reduce crime.

One vehicle passed the threshold at over 40mph. I signalled for the vehicle to stop, they slowed down, but soon sped up, passing me heading past the services. I obtained the number plate which showed the vehicle to have no insurance and registered to an address in Barnsley. I attended the home address and advised the driver he is to attend court and answer for - driving over 40mph in a 30mph zone, failing to stop when signalled to do so by an officer and no insurance. No update at this time due to no court date set at this moment.
