ASB Report Type	November 2023	December 2023	December 2022
Suspicious Circumstances			
Nuisance	1	1	2
Public Order	1		
Road Collision		2	3

1 Burglary – Occupant returned home to find, front door open, dog locked upstairs and untidy search completed. No suspects identified currently.

2 Road Traffic Collisions – Both on Denby Dale Road – one was a drunk driver (dealt with for the offences)
There were 4 calls for services which were for a female who lives in the village having a mental health crisis. She's been sighted laid in the road, sitting on the wall, running from ambulance and on the motorway bridge. This is for mental health crisis teams to support and deal with – however, Police will be involved when life is in danger etc. She does not present as a risk to the community.

Due to the storms and poor weather – Only able to complete One speeding check throughout the month – I was due to use the unmarked Police car to capture speed, discretely, however, the car went in for repair for the month!

PC342 Firth Reports

On 30/12/23 I attended to West Bretton for safe scheme overtime. I attended between 12am and 1am for observations around theft offences and fly tipping in the surrounding rural roads etc.

There was no issues throughout, however, one vehicle did make an escape or evaded me. Number plate obtained which doesn't come back to anything local. On observing the areas nearby, nothing appeared out of place or broken into etc. I suspect they may have been scouting or potentially trying to steal but were frightened off.

PC342 Firth Reports

On 11/12/2023 between 5pm and 6pm I attended to West Bretton for safe scheme overtime. I was in a marked Police vehicle and using the pro laser speed detection device to capture and enforce speeders.

I parked on Huddersfield Road, outside the school. It was wet on the ground and I remained here for 30 minutes as the weather broke and started to rain.

Total cars - 359

30mph or less - 325 (90.5%)

31mph to 35mph - 34 (9.5%)

None above 36mph.
