PC342 Firth Reports

On 29th November between 1620hrs and 1720hrs, I conducted speed enforcement on Huddersfield Road, outside the school. I was parked in a marked Police vehicle in full view.

Drivers were clearly flashing each other to warn of my presence, however, this was great to see the road users slowing down and abiding by the road rules.

30mph or less – 595 (95.9%)

31mph to 35mph – 25 (4.1%)

Zero drivers above the enforcement amount
