Road Collision		1	

Good Evening,

Hope November went well for you! Great to have seen so many people attend the West Bretton Remembrance parade. Thank you for the invite I do enjoy coming back! I hope bonfire night and the days around then, weren't too much of an issue for you?

In terms of crimes or calls for service – There was one call for service which was a broken-down vehicle on 4th November, which was crashed into. Both vehicles were a write off and unable to be driven and have to be removed. This caused some minor issues in the village but the road was not blocked. The drivers were checked for alcohol/drugs but negative. No injuries and as far as the attending officers state – no known offences.

Safe Scheme Overtime.

PC342 Firth reports

On Thursday 21st November, between 1am and 2am I attended to Bretton for safe scheme overtime.

I completed late night patrols around the village and roads for fly tipping and theft offence checks.

Approximately 30 minutes prior to attending to the village, there was a theft from an HGV at WOOLLEY services, therefore observations were out for the vehicle in question or those suspected to be involved. No details obtained other than a box van.

Nothing of note during my time at the location and no calls for service during or immediately afterwards.

West Bretton Parish Council

Working in partnership to reduce crime.

A couple of vehicles checked and one car stopped and driver spoken to. Fault with vehicle therefore words of advice given, but not major fault. Other vehicles checked ok and no problems.

PC342 Firth Reports

On Friday 30th November I attended to West Bretton at 9pm to 10pm and again between 1am to 2pm.

I attended the hot spot areas for theft offences, suspicious activity and fly tipping. During both times, there were no issues throughout. I ran through a several vehicles and spoke to a couple of drivers for issues with their vehicles. Upon leaving the area, there was no change to the hot spot areas or fly tipped items left. There were a couple of bags of rubbish in some laybys which I have reported to the council for collection. These were here prior to my arrival. There was no suspicious activity throughout or any calls for service for me to attend to during the two times.
